

The Flipped Classroom

**Patti Holter
Collège Lionel-Groulx**

The Concept

The reality of a regular classroom

Class

- ✓ Listen to the Teacher
- ✓ Copy from the board
- ✓ Read/watch/listen to a document

Home

- ✓ Learn from the notes
- ✓ Complete exercises & activities for understanding
- ✓ Do individual research or activities to reinforce concepts

The Concept

A new view of the classroom

Home

- ✓ Listen to the Teacher
- ✓ Copy from the board
- ✓ Read/watch/listen to a document

Class

- ✓ Learn from the notes
- ✓ Complete exercises & activities for understanding
- ✓ Do individual research or activities to reinforce concepts

Why Do It?

- ✓ **Students learn at their own pace.**
- ✓ **Students are no longer passive in class. They are active.**
- ✓ **Teachers become coaches and can personalize instructions, corrections, and help.**

Flipped Classroom Videos are NOT...

YouTube or other pre-existing videos posted on the Internet

They ARE...

- ✓ **an extension of the teacher, meant to build a relationship with the students.**
- ✓ **flexible and should compliment and reflect the teachers own personal style.**
- ✓ **tools to be used as the teacher deems best, be it in the class or at home.**

Video Production Tools

- ✓ **PowerPoint**
- ✓ **A quality headset**
- ✓ **Desktop Recorder**

- ✓ **Free .AVI to .FLV Converter**
(by Convert Audio Free)

Webinaria Desktop Recorder

✓ Why Webinaria?

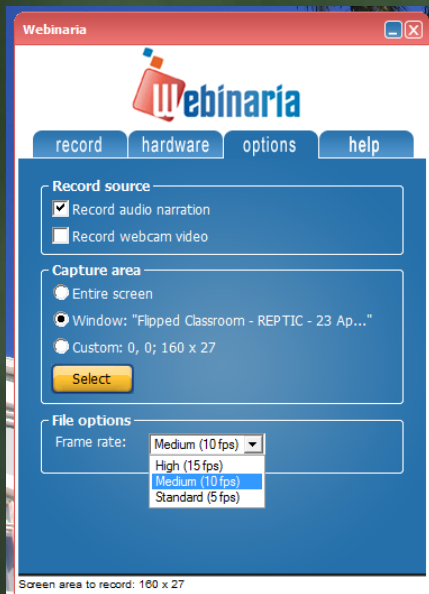

✓ It's FREE!

✓ It can record any length of video.

✓ You don't have to post on YouTube or other sites. You can save it and keep it as your own work.

✓ **How does it work?**

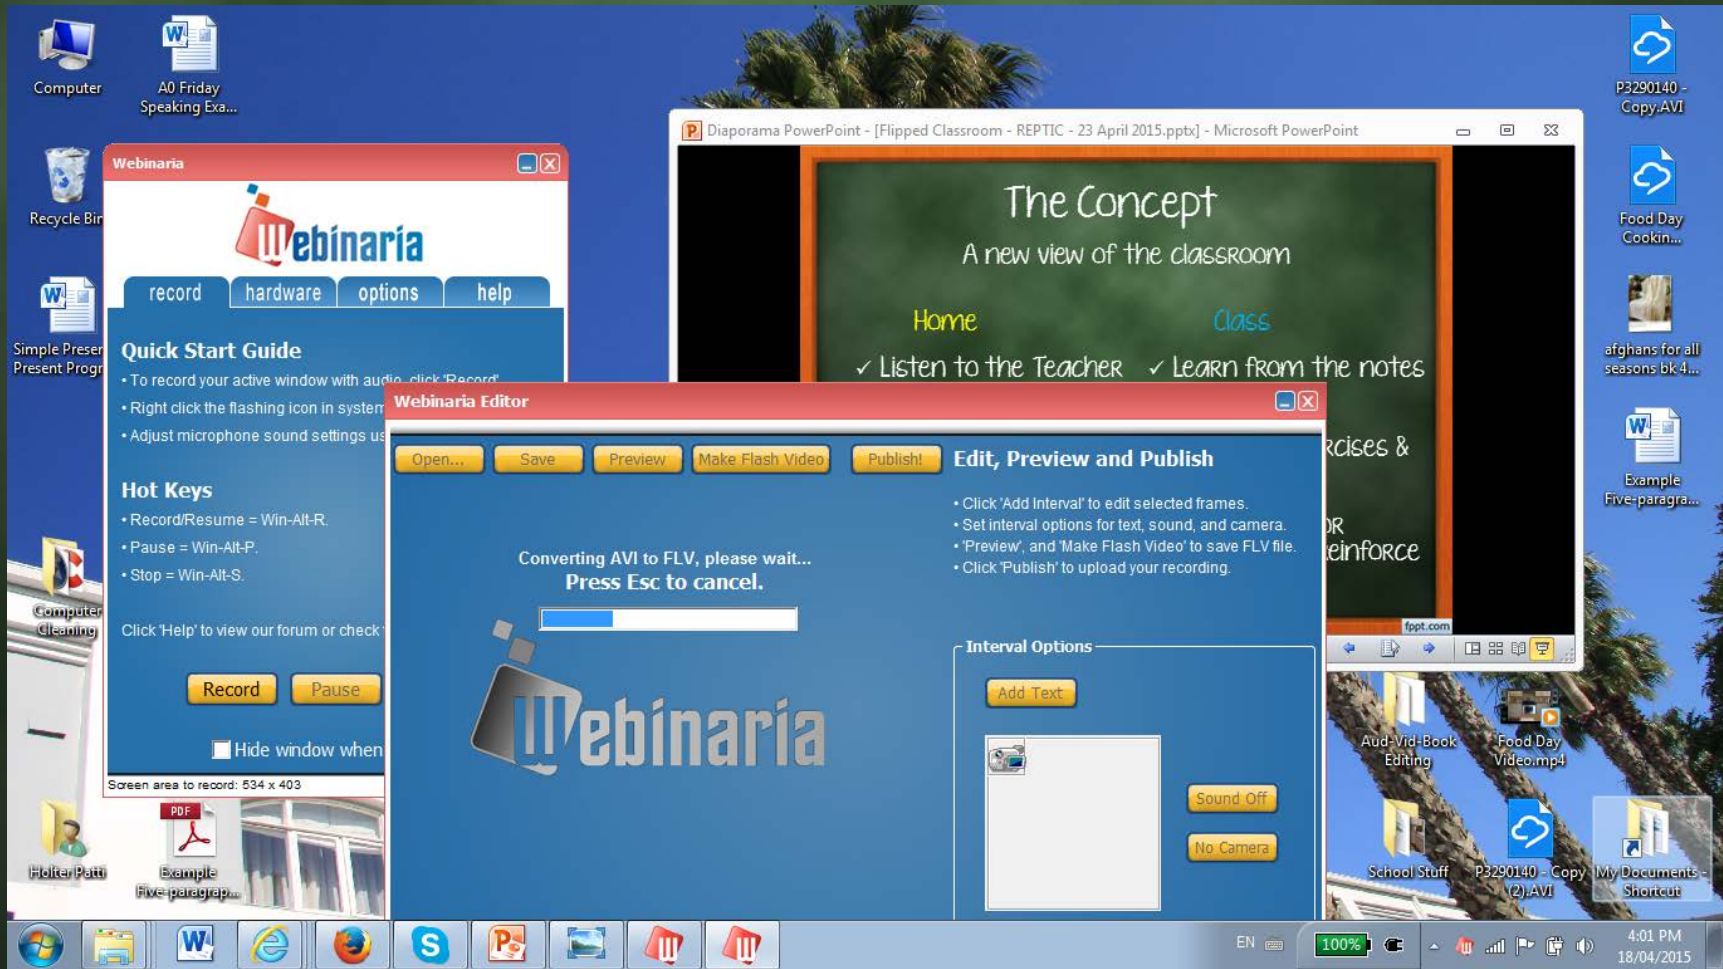

- **Produce your PowerPoint**
- **Set up your slideshow to show in “browsed by an individual”**
- **Size your PowerPoint window on the desktop**
- **Start your Webinaria program**

- Set your options in the program.
- Resize the Webinaria frame to cover the PowerPoint window.
- Move all windows away from the PowerPoint.

Click “record” in the Webinaria panel and have fun!
